sidewalk scorobers and one gentlema was knocked completely down. Even St. Louis railway world was the cut in time and the establishment of the Mobile and Ohio Limited between St. should prove the cyclists boom, the sidewalk has the preference. This is very danagerous at night as the wheels make little if any noise and the shaded walks are so dark that you 8:45 a. m., respectively. There were are aware of their presence. Bicycle riders should exercise more caution or they will suffer a fine.
